Re: AB 3069

Dear Chairman Price and Members of the Committee:

The Elections Legislative Committee of the California Association of Clerks and Election Officials would like to thank you for introducing **AB 3069**, legislation that would clarify provisions of the Elections Code concerning the cancellation of felons, ballot designation and statement of qualification filing procedures.

The Committee is in **Support** of this proposal amending California Elections Code §2212 to require the clerk of the superior court to provide the names, addresses and dates of birth of those persons who are convicted of felonies and sentenced to prison, in order that the election official may cancel the voter registration of such felons.

The proposal further clarifies the ballot designation worksheet provisions, removes obsolete language concerning judicial statements of qualifications, and corrects §13307(c) to reflect that it is the local agency and not the elections official that is responsible for collecting or refunding the cost of the statements of qualifications.

Again, thank you for introducing this proposal. Should you or your staff have any questions or concerns, please don't hesitate to contact me at (707) 565-1876.

Very truly yours,

Janice Atkinson,
Correspondence Secretary
California Association of
Clerks and Election Officials
