County Clerk/Registrar of Voters (CC/ROV) Memorandum #20160

TO: All County Clerks/Registrars of Voters

FROM: /s/ Susan Lapsley

Deputy Secretary of State, HAVA Director and Counsel

RE: General Election: November 2020 Coronavirus Funding – County

Allocations

Assembly Bill 89 and Assembly Bill 100 were signed by Governor Newsom on June 29, 2020, to appropriate state and county funding for the November 2020 election consistent with state requirements put in place to reduce the spread of COVID-19.

Based on the considerations set forth in the budget bills, previous allocations, and reports provided by counties, the allocation of COVID-19 state and federal funding that will be reflected in contracts for each county is identified below. As indicated in CC/ROV Memorandum #20153, no county match is required to receive these funds. These funds can be used for costs that are in addition to normal election costs and do not supplant funds already allocated under state or local budget authority, as part of the normal conduct of elections.

As set forth below, a portion of the funding can be used to conduct the November 2020 election in the face of the COVID-19 pandemic, which can include increased costs related to all aspects of voting by mail, equipment needs for processing increased vote-by-mail ballots and meeting the in-person voting requirements, permanent and temporary staffing, additional security, specialized training of staff and election workers, cleaning and disinfection, personal protective equipment, and polling locations and election facilities. Another portion is to be used for outreach and communication.

The final contracts will be issued to each county beginning next week and will set forth the county allocation, allowable costs and requirements for reimbursement.
