Dear Assembly Member Melendez:

The California Association of Clerks and Election Officials (CACEO) Elections Legislative Committee has re-reviewed **AB 813 (as amended April 16, 2013)**, and is pleased to convey **Support** for your proposal that would require those local elections officials with existing capability of producing a certified statement of the elections results in a downloadable spreadsheet format, to post and maintain that data on the elections web site for a period of ten years. This proposal further requires a downloadable spreadsheet form of the certified statement of vote compiled by the Secretary of State pursuant to Elections Code 15501 be posted and maintained on the Secretary of State's web site for a period of ten years.

Should you have any questions, please feel free to contact me at the Kern County Elections Office (661) 868-3717.

Very truly yours,

Karen Rhea
