

## California Professional Election Administrator Credential program (CalPEAC)

A joint project of CACEO and the Election Center, presents Courses 7 & 8, December 13, 2016 at the Hyatt Regency Sacramento, 1209 L Street, Sacramento, CA.

**What is CalPEAC?** California has one of the most diverse voter populations carrying with it unique challenges in election administration. Preparing California's election administrators to meet these challenges is the reason the California Association of Clerks and Election Officials (CACEO) created the California Professional Election Administrator Credential Program (CalPEAC). Upon completion of the program's 10 courses, participants will be conferred the CalPEAC Credential and be known as a Registered Election Official (REO). Each course addresses a different component of election administration and is instructed by a professional with experience in the subject area.
